

The crazy drivers in Poplar Bluff by Aaron White

Wreckless Drivers

The crazy drivers in poplar bluff are crazy with texting on cell phones drifting in parking lots doing burnouts in walmarts parking lots. running drifting in parking lots doing burnouts in walmarts parking lots. running from the police. cutting people off the road or during red lights. Causing a lot of damage to people like kids and grandparents *espically on southside* all wrecks i hear glass breacking on the small town **Poplar Bluff** then also getting in the wrecks with crazy drivers are even scarier because you dont know whats going to happen to you

how many wrecks happen in poplar bluff alone everyday

there are alot of people who are left to die in these car wrecks because people dont want to stop and help other who really do need help hitting a tree or hitting a pole can hurt a perosn hard enough to hurt them and eventually kill then" and deer are the most common wrecks to this day"
